I want to especially commend May – she is very committed, and an EXCELLENT recruiter. Truly as Simon earlier said, she is an asset to MyWorld. I look forward to the opportunity of working with MyWorld in the future – for another job opening.

MyWorld has been supporting our local office in Myanmar and successfully placed many candidates that fit not only to the skillset that we are looking but also in terms of cultural fit. With the great support and dedication given by the team, immediately, MyWorld is the first choice when I had recruitment needs in Cambodia. Within a week, they managed to find many good candidates who are closely related to what we are looking for. The team understood the scope very well and also closely engaged with both HR and candidates- this made the process to be seamless. Well done, team and thank you again for the great support.
